

Start Creating Happy, Healthy Memories At GymKix!

1352 Matthew Spicer Rd. | Copperas Cove, TX | (254) 542-2600 | www.gymkix.com

Please review our FAQ's and policies to ensure our program is the right fit for your family.

• How do we register?

We are proud to offer the highest quality instruction with educated, professional staff. GymKix membership is required to participate in all of our programs*.

We value your time and want to give you our undivided attention, therefore we only offer enrollment and tours by appointment. When you enroll at GymKix, you are joining a family, not just an activity!

- Call or stop by during office hours to book your Tour and Enrollment appointments: Monday – Friday 2:30 – 7:30 pm | Saturday – 9:00 am – 1:00 pm
You will receive confirmation and reminder e-mails for your upcoming appointment(s).

*GymKix Membership is only \$45 and covers the entire family for the first year. This fee is non-refundable and entitles your family to a one-year membership with our facility regardless of your month-to-month registration. If renewed before it expires then it is only \$25 for each additional year. Tuition will vary based on the program and/or class length.

• How do I pay my monthly tuition?

GymKix accepts monthly tuition through our convenient auto-debit program only. GymKix will deduct monthly tuition and any other outstanding charges on the 16th of each month. Our After School Program is billed weekly (additional information available in our After School Information Packet).

"Alice has loved her time at GymKix. Thank you for your outstanding contribution to her love of dance. She will carry all she learned with her!" - Mrs. Foutch

• How do I cancel or suspend my family's classes?

We do not require your family to sign a contract; so cancelling, changing, or suspending your classes is easy and hassle-free. Simply visit the front desk to fill out a "Notice of Withdrawal" form at least one month prior to the final month of classes.

For Example: Your family is moving in July, and you would like June to be your final month of classes: A "Notice of Withdrawal" must be submitted on/before June 1st so that you are not auto-debited on June 16th for July classes.

• What about make-up classes, holidays, and bad weather days?

All months are treated equally at GymKix. We do not charge extra for months with 5 classes and we do not pro-rate for months with holidays, inclement weather days, or missed classes.

As parents, we understand that life happens. Kids will get sick, homework may be overwhelming, or the family is taking a much needed vacation...there are a number of reasons your family might miss a class during their time at GymKix. We want to provide a way for parents to have a "make-up" opportunity for when life happens; which can be difficult to accomplish due to our strict class size ratios or simply not having another class available in which to do a "make-up".

In an effort to provide proactive compensation, every family receives FREE coupons to help offset any missed classes your family may experience during their time at GymKix. There is even a FREE Super Saturday coupon (\$20 value!) These can be redeemed at any time while your family is an active GymKix member, regardless of when or if a class was missed.

"I can't say enough great things about this place. Christian values, unbeatable coaches, and skills to last a lifetime. Even being from Killeen, no drive is too far. We'd bypass every gym to get to this one." - Ms. Powell

GymKix does not always follow the school calendar for holidays. Holiday closures may vary from year to year and we ask that you read our e-mail updates and check our online calendar for the most up-to-date closure information. We do not pro-rate, or offer refunds/make-up classes for missed classes, holidays, or for inclement weather days. For planning purposes, GymKix generally observes the following holidays:

- New Years Day, Memorial Day, Independence Day, Labor Day, Halloween, Veterans Day, Thanksgiving Break, Christmas Break, Spring Break, Summer Break

• Can we observe classes?

Absolutely! Our intent when we designed our facility was to maximize training space for the athletes and, as a courtesy, provide as much viewing space as possible for visitors. Our downstairs viewing windows and television offer observation opportunities for our Big Gym, Discovery Gym, Studio A, and Studio B. Our upstairs viewing area (for adults only) provides windows for observing our Big Gym and Studio A as well as televised viewing for Studio B.

We take safety seriously at GymKix!

We kindly ask that you review and respect the viewing guidelines listed below as they will be strictly enforced for the comfort and safety of all our members:

- Parents are responsible for their children prior to class and once they are released from class.
- Please ensure you are downstairs PRIOR to your child's class being released.
- Parents and athletes are not permitted in any class or on equipment unless they are escorted by an instructor.
- Please do not touch/tap the observation windows.
- Please do not sit on the floor. If seating is not available, please stand.
- Children are not permitted to run or horseplay inside or outside of GymKix.

➔ **Please remember that the upstairs viewing is for adults and supervised children ages that are at least 8 years old.** The upstairs viewing area has an outdoor fire exit with a 20 foot concrete stair case to comply with fire safety regulations. This door must remain unlocked at all times and presents a safety issue for curious young children, no matter how well supervised. In the event of an emergency, the upstairs area can be a dangerous place for children if there is a panic rush for the exits.

It is our responsibility to establish rules for the safety of athletes as well as those visiting the facility to view classes; therefore, we have followed the recommendations of building officials and our Emergency Evacuation Consultant by establishing an "Adults Only" upstairs viewing policy.

"The number one reason I like to be a part of the GymKix family is my son feels very welcomed...Yes, he does what he loves most at your facility, and that gives him the confidence to overcome his struggles, but the welcoming and encouraging staff helps!"
- Ms. Cook

Children 8 years and older are permitted upstairs with a supervising adult, as well as infants (12 months and younger) that are in a carrier or held by the parent at all times. If you would like to view upstairs and have younger siblings or friends with you, we have a supervised drop-in Kid's Club area available for children ages 11 and under for only \$3 per child/per hour.

• What will my child wear to class?

You will not be required to purchase special uniforms to attend recreational classes at GymKix (except for Ninja Zone). **Hair must be neatly** pulled away from the face and no jewelry is permitted (except for stud earring and medical ID bracelets). We will be happy to discuss specific class attire guidelines at the time of registration and provide examples for all of the classes. All clothing/shoes can be purchased at GymKix or your local sports store.

Boys can wear gym shorts and t-shirt for any dance, gymnastics, trampoline, or tumbling class.

Gymnasts may wear a leotard or biketard.

Dance class attire will vary and includes, at a minimum, shoes, tights, and appropriate dance clothing.

Tumbling students may wear any style athletic attire and athletic shoes.

Ninja Zone students will wear their Ninja Zone shirt, headband, and any style black athletic shorts.

We are so confident that your family will love their experience at GymKix that we are proud to offer a

30-Day Money Back Guarantee!

If your family honestly feels that GymKix did not meet your expectations, simply notify us within 30 days of your first class via e-mail, online form, or in person at the front desk.

We will refund all tuition paid during the 30 days in our program.

Hassle Free & No Risk To You!

Your family's GymKix membership will remain active for one year should you decide to return for classes or participate in any of our other programs.

Welcome!

GymKix has over 13,000 square feet of clean, climate controlled space for your young athlete to learn all about dance, gymnastics, cheerleading, trampoline and tumbling! Our state-of-the-art facility focuses on fun and safety above all else! Parents are important too! We have fast wi-fi, USB outlets for charging devices, and a nicely appointed upstairs parent-only viewing area will ensure that parents have a comfortable and stress-free viewing option. This is just the beginning! Keep an eye out for more upgrades, landscaping, and additional class offerings as we continue to expand and improve!

"Ninja training has helped my son accept failure and work through instead of letting it hold him back. This has been an invaluable lesson for him! Before the training, he would get extremely upset at perceived failures, and would be very unpleasant to be around, it's completely different now, his attitude in general has also improved. Great stuff!"

- **Mr. Mozenko**

"She has been able to learn things she didn't know before and she gets excited to show us. She practices all the time, wherever and whenever. She is always trying to be better at what she does and I don't have to ask her to practice."

- **Mrs. Villavicencio**

SUPER SATURDAYS!

Super Saturdays at GymKix are open to members on select Saturdays from 6 – 8 p.m. Cost is \$20 per child.

Upgrade to VIP for only \$10 more and arrive 30 minutes early and leave 30 minutes later than everyone else! PLUS you get a FREE healthy shake from our Trophy's Health Bar! Only 15 VIP spots are available at each Super Saturday!

Ages: 3* – 5 yrs.

These kiddos will have free play time in our Discovery Gym as well as games, activities, and outdoor play (weather permitting). This age group is currently limited to 8 kids per Saturday. *Must be potty-trained

Ages: 6 – 17 yrs.

The BIG GYM is all yours – bars, floor, air tracks, pit, trampoline, and more! We will have plenty of staff on hand to supervise the fun so parents can feel secure knowing their child is safe and having tons of fun. We will have games, activities, and of course fun dance breaks!

Registration Information:

You may register over the phone, in person, or online via the Parent Portal through Friday. Same day registration (if space is available) is an additional \$10 per child.
