

# WELCOME TO THE GYMKIX ENRICHMENT ACADEMY!

Please send cash or set-up an account at the frontdesk so your child can charge items at the Health Bar if you do not want to send money.

## ● GYMKIX PROGRAMS & ATTIRE

GKEA children participate in a wide variety of activities each day. Please be sure to send your child with **socks and tennis shoes**. **NO JEANS** are permitted in the gym room. Additionally, short skirts, dresses and tube tops are discouraged as they limit the activities in which the children can participate. If your daughter is wearing a dress please send clothes they can change into or shorts to wear under their dress.

GymKix offers a wide variety of optional activities including dance, gymnastics, trampoline, ninja, and tumbling all in one convenient location. Please see the front office for specific details on classes available. Parents are responsible for notifying GymKix Kid's Club of any programs your child attends at GymKix. When your child is enrolled in the GKEA will they receive a \$20 per month discount on all **recreational** classes. The **discount for classes will be effective the following month if registration is received after class payment has already been made (no credits will be given for class payments made prior to GKEA registration)**.

Children enrolled in GymKix classes will need to bring their class attire for the day if it is during their GKEA program time. **If your child does not have the correct attire, they may not be able to participate in class that day.**

## ● TRANSPORTATION FOR AFTER SCHOOL & FIELD TRIPS

All GymKix Kid's Club drivers are safe, experienced and all vehicles are routinely inspected and maintained. All students must wear seat belts at all times while traveling.

Safe transportation from school to GymKix Kid's Club is our first priority! We strive to provide timely transportation to as many schools as possible for the convenience of our families. Our pick up schedule is very precise and requires us to be on time both arriving and departing from each school, therefore we ask for your full cooperation.

In order for GymKix to be able to pick your child up from school, you will have to notify their school and sign GymKix up as an authorized method of pickup. Your child will have a designated place at their school to wait for the GymKix Kid's Club vehicle. In the event that there is a delay in pick up time the school is notified.

GymKix will offer pick up at the following Copperas Cove/Lampasas elementary schools:

- Taylor Creek
- Clements/Parsons
- Martin Walker
- Copperas Cove Charter School

## ● PARENT PICK-UP

Although we love your children, they need to be picked up no later than their scheduled pick up time. There is a **\$10 late fee for the first 15 minutes** that you are late and **then \$10 per 15 minutes thereafter** (i.e. if child is picked up at 6:25 the late fee is \$20). If your child has a class at 6:00 p.m. we will escort them to class, however, they will be escorted back to Kid's Club in order to be signed out. If you are not there at the end of their class, you will be charged a late pick-up fee.

For security reasons it is very important that you sign your children in and out. Children **will not** be released to anyone whose name does not appear on the registration form. Please include the names of all those you wish to be able to pick your child up. If an emergency comes up, please call and notify us or send a note with your child. **The person picking the child up may be asked to show a picture ID to take the child if the staff are not familiar with you – this includes parents and close relatives.**

In the event that your child's schedule changes and you **DO NOT** need GymKix to pick up your child (due to illness, absence, extracurricular activities, tutoring, etc.) you **MUST** notify **GymKix at via phone (254-577-4607), email (klos@gymkix.com), or the GKEA Facebook Group. Notifications must be made by 2:00 p.m.** If you fail to notify GymKix of your change in schedule, your account may be billed **\$7.50**.

## ● COMMUNICATION

Communication is so very important to us at GymKix. We want you to have direct and convenient access to our Directors and be able to see the fun activities your child is participating in at GymKix. We have set up a private Facebook Group for our GKEA Families to help us keep in touch:

<https://www.facebook.com/groups/gymkix.enrichment.academy/>

## ● DISCIPLINE POLICY

Our number one priority is to ensure a safe environment for all children and staff. The only rule we ask is that our students are safety conscious of themselves and those around them. A busy child does not have time to get into mischief. We will do our best to keep them busy and having fun. Sometimes even the best kids forget.

In the event that your child has to be disciplined more than twice in one day (verbal or timeout), you will receive a written notification when you pick them up. After three written notices, we will schedule a conference to meet with you to discuss your child's behavior. If your child continues to be a disciplinary distraction after the conference, he/she may be removed from the program without refund.

We will do our best to handle all situations at GymKix. If parents are called during the day, it would be because of a situation that we feel puts other students or staff at risk. We reserve the right to send children home when we feel they are not acting in a safe or healthy manner and are not willing or able to change their behavior. **NO CREDIT WILL BE GIVEN WHEN THIS OCCURS.** We further reserve the right to expel children from GKEA any time we feel it is necessary for safety reasons or if we feel that the structure and environment of our program cannot reasonably meet a child's needs.

It has been our experience that tablets, iPads, and other toys from home can be a huge distraction at GymKix, therefore we prefer for students to leave them at home unless being used for their homeschooling/distance learning. **If children bring items from home, we are not responsible for them being lost or stolen.**

## ● ILLNESS POLICY

A safe and healthy environment is important for all children. This policy is designed to decrease transmission and protect the health of your child, the other children, and the staff.

- Hand washing & Antibacterial Gel will be routine for all students
- The environment and equipment will be cleaned on a routine basis and as needed.
- If a child should become ill while at GymKix, the child's parent/guardian will be notified and given a specific time frame in which to pick the child up.
- Any ill child will be separated from the other children and be made as comfortable as possible.
- The staff member will make the final decision about continued care for the ill child based on:
  - Exclusion list (some diseases require exclusion)
  - Head lice (child must be out 48 hours after final treatment)
  - Chicken pox (child must be out until all blisters have scabbed)
  - Undiagnosed rash or hives
  - Flu (24 hours from last symptoms)
  - Conjunctivitis (Pink Eye) (24 hours from first medication)
  - Child's ability to participate in routine activities.
  - Increased risk of disease transmission
  - Direct Exposure to COVID positive person requires a 14-day quarantine from our programs.
- **Do not** bring your child if they have had diarrhea, vomiting, a bad cough and/or fever (101 degrees oral or 100 degrees auxiliary (armpit) in the past 24 hour period.)
- If your child should exhibit any of the above symptoms a parent or emergency contact will be called and asked to pick up the child immediately.
- Please notify a staff member if your child is diagnosed with or has been exposed to an infectious disease.

Emergency planning is a must. Please have a plan ready on the chance your child should become ill at GymKix. For the safety and health of staff and other students **we cannot** allow a sick child to remain at GymKix. If a student needs to take a short time off from the After School Club due to illness, their space can be held (without penalty of loss of deposit) for \$25 per week. **No credit will be given on a daily basis.**

### **MASKS/COVID:**

If your family is highly concerned about coronavirus or has immunocompromised family members, then our programs would not be a good fit for your family. GymKix has always had a daily cleaning schedule and follows child care licensing protocols for cleanliness, sanitizing, and hand washing. We have also invested in [DISINF](#) treatment for the entire facility.

Parents will be required to follow the regular daily health check prior to bringing their child to the program (temperature, symptoms, etc..).

If you or your child doesn't wear a mask, **we will assume that you are not required to per the many exemptions listed in GA-29, we WILL NOT question your decision AT ALL.** Additionally, per executive order GA-29 children 10 and younger are **NOT** required to wear masks.

We extend that freedom of choice to EVERYONE including our staff as we cannot fully know the medical history, trauma, current medication, and needs of each individual person that enters our facility, nor is it our business to violate their HIPPA and personal rights to ask them these personal medical questions.
