

NINJAZONE®

2024

1352 Matthew Spicer Rd., Copperas Cove, TX 76522 | www.gymkix.com | (254) 542-2600

This program is transforming the way that kids move!

NinjaZone focuses the minds of enthusiastic kids by using movements their bodies inherently crave. Ninjas are trained to spin, roll, flip, kick, and fly through challenges - almost as if they are starring in a real-life video game. Ninja skills transcend the gym.

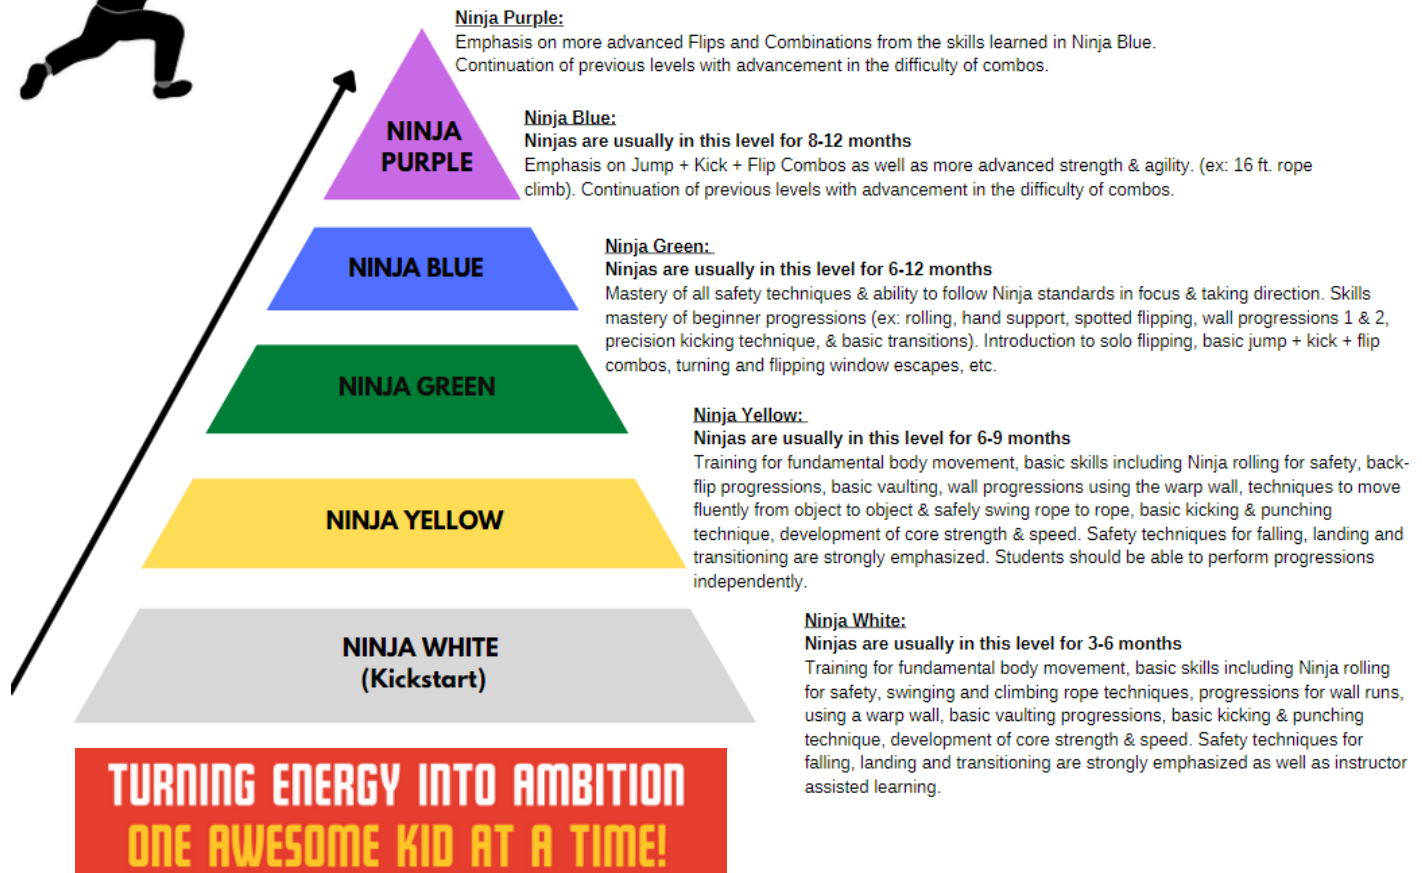

The progressive skill system in the NinjaZone program teaches focus, grit, and confidence, leaving kids ready for the next challenge - at Ninja class, or in life.

A progressive level system evaluates and advances children in their skill and knowledge of core values as described in the NinjaZone creed. Children advance and learn at their own pace.

The levels of NinjaZone are defined by the headband colors of White, Yellow, Green, Blue, and Purple.

GymKix Ninja Journey!

Cassandra Knepp ★★★★★

"Love this gym so much. All of the staff is so kind and greet you with a smile when entering. I appreciate them being so patient with my son who's autistic which is a big bonus for us. The facility is always clean too which is another bonus!"

Erin Wehland ★★★★★

"My daughter started the ninja training classes a few weeks ago. She loves it! The coaches are awesome with the the kids and seem to be having as much fun as the kids do."
